JULY 8-28, 2009

GREEK

Aegean

For a real Greek town, you'll have to head to that other windy city. Here in Boston, we have one winner. At Aegean, you can order saganaki, spinach pie and souvlaki in a more refined setting than at many downtown gyro shops. The braised lamb is especially worth the trip to Framingham or Watertown. It's the next best thing to having Greek friends who put a spit in the yard come Easter.
